UNITY PENDLETON BLANKET

This USA-made wool blanket is created exclusively for the United National Indian Tribal Youth, Inc., a nonprofit organization that fosters the spiritual, mental, physical, and social development of American Indian and Alaska Native youth and to help build a strong, unified, and self-reliant Native America through greater youth involvement. Your purchase helps support Native youth leadership development.

This blanket is a wonderful gift for ceremonies, awards, powwows and graduations.

The design of the Pendleton has symbolic elements and colors. UNITY's logo was created in 1976 with the Nations colors, red, white and blue. The Flames represent the UNITY Fire that burns throughout the national conferences with teachings to call youth to their culture. The Eagle represents strength and flight for leadership and the Eagle Feathers represent youth and people from all tribes and nations.
