UNITY recently wrapped up a 3-year project called **UNITY Wellness Warrior**, funded by the W.K. Kellogg Foundation. The final report included an impressive overview of the impact made directly to our UNITY Native youth leaders. We are happy to share this information with you. Your investment in our programs and signature events makes a significant impact in the future of our Native youth, helping them realize their full potential. Thank you for your continued support. For more information about UNITY and the Wellness Warrior Project, visit [www.unityinc.org](http://www.unityinc.org).
