BUDDY SYSTEM

Always stay with a Buddy, so find your buddy.

- If you plan to leave the hotel, you must be with a chaperone at all times

ALWAYS STAY WITH YOUR CHAPERONE

If you're planning to explore or sightsee around Oklahoma City, it's important to always stay with your chaperone. Oklahoma City is a big city, and it's best to stick together to stay safe and enjoy your time!

DONT FORGET YOUR ID

Create a reminder to always carry your CIB, Tribal ID, or state issued ID whenever you plan to leave your Hotel room. Before you travel, collect all needed documents and store them in a safe place.

HAVE A PLAN

In the rare event, that someone asks about your citizenship or personal information, you have the right to politely decline to answer without a lawyer present and request to see an issued warrant.

BE SAFE, AND HAVE FUN!
